

FREE LIFE JACKET LOANER

Who can borrow a life jacket?

Anyone 18 or older can borrow a life jacket.

How much does it cost?

It is FREE! You only need to fill out a form with your name, phone number, address, and a drivers license or identification card number.

How long can I keep it?

A day, a weekend, or maybe longer if needed. All we ask is that it's returned when you're finished to be used again.

What sizes do you have?

We have sizes available from infant to adult. It's important that the life jacket fits the wearer. A jacket that is too large or too small may not work properly to protect the wearer.

Where should I go to get one?

Visit any of the stations below to borrow a life jacket. You do not need to call ahead, but remember, firefighters may be on a call when you arrive.
