TODD HARMS
Fire Chief

Sacramento Metropolitan Fire District

10545 Armstrong Ave., Suite 200 · Mather, CA 95655 · Phone (916) 859-4300 · Fax (916) 859-3702

DATE: September 8, 2022

TO: Board of Directors, Sacramento Metropolitan Fire District

FROM: Todd Harms, Fire Chief

RE: Final Budget for the Fiscal Year Ending June 30, 2023

BUDGET OVERVIEW

As the Sacramento Metropolitan Fire District experiences the financial tailwinds of rising property values and falling COVID 19 workforce erosions, economic headwinds lie ahead. Climbing inflation, interest rate hikes last seen in the 1980s, and turbulence in financial markets worldwide will push the District towards the shoals of an economic recession. The FY 2022/23 Final Budget (“Final Budget”) reflects a mix of cautious optimism for short-term, post-pandemic operations and fiscal prudence beyond FY 2022/23.

The impact of COVID 19 on staffing, the rising cost of goods, and delayed state funding for ambulance transport-related revenues contributed to a \$12.4 million shortfall in the FY 2021/22 Midyear Budget. The causes were mainly delayed federal funding and constant staffing, the overtime cost for suppression staff who are called back to fill unexpected shift vacancies, which surged more than \$8.5 million—nearly 50% above the budgeted level. Services and supplies costs also rose \$2.8 million above budget, mainly due to rising cost of goods and increased reliance on contracted ambulance services.

While many of the FY 2021/22 midyear expenditure increases were COVID 19-related, the District and special districts in California received relatively small COVID 19 compensation from federal or state subventions—just \$940,000 after the adoption of the Final Budget in September 2021—and the FY 2021/22 Midyear Budget was funded mainly through supplies and service cuts, and transfers from other fund balances and General Fund reserves. The Final Budget includes restoration of the General Fund reserve transfer.

In addition to restoring the General Fund reserves transferred at midyear, the Final Budget includes a new \$18.3 million investment on a \$28.3 million, five-year Capital Improvement Program (CIP) plan. The District’s CIP was created to bring sharp focus to long-term infrastructure needs and includes equipment, apparatus, facilities, and new construction. The plan was developed in accordance with the CIP Policy approved by the Board of Directors in February 2022 and followed a detailed process of evaluation and comparison to reach a final selection of 18

projects. The CIP plan was initially approved on June 9, 2022, and an updated version is being presented alongside the Final Budget, reflecting updates to revenues, expenditures, and projects.

The Final Budget is comprised of expenditures from all funds of \$290.9 million and revenues of \$279.5 million, with the difference made up of fund transfers and capital leases. Property taxes comprise about two-thirds of all District revenues and, having withstood negative pandemic-related impacts, are expected to yield high revenues again, followed by slower growth over the next five years. Based on estimated property values as of July 1, 2022, assessed property value growth within the District is estimated to yield a \$14.7 million increase in property tax revenues from FY 2021/22 and FY 2022/23, extending a now 10-year trend of increasing property tax revenues following the Great Recession.

The FY 2022/23 Final Budget reflects increased ongoing labor costs, from \$210.1 million in FY 2021/22 to \$214.6 million in FY 2022/23. Cost increases included a \$4.5 million more in compensation and \$2.9 million more in retirement costs, largely attributable to required payments on the District's unfunded pension liability with CalPERS. These labor cost increases were partially offset by a reduction in total medical costs.

The FY 2022/23 Final Budget includes \$257.4 million in General Fund revenues, a \$20.7 million (8.7%) increase relative to FY 2021-22, and \$256.6 million in expenditures, a \$9.1 million (2.1%) increase in expenditures, resulting in a balanced General Fund budget. Including transfers from other funds, the projected General Fund balance is \$4.5 million.

With the Board of Directors approval of this plan, the District's focus will be optimizing services using all available sources of funding; ensuring ongoing all-risk fire, rescue and emergency medical needs of the District are met; and providing adequate reserves for future contingencies.

BUDGET DISCUSSION

The FY 2022/23 Final Budget is summarized below by fund, followed by a district comparison, and risks and issues.

GENERAL FUND

FY 2022/23 General Fund revenue is projected to total \$257.4 million compared to budgeted General Fund expenditures of \$256.6 million. After accounting for a transfer in from the Intergovernmental Transfer (IGT) Fund of \$8.7 million and transfers out to the Capital Facilities Fund of \$5.0 million, the FY 2022/23 General Fund budget results in budgeted revenues and financing sources approximately \$4.5 million above expenditures. That balance is proposed to be retained in the General Fund reserve, restoring funds transferred in the FY 2021/22 Midyear Budget and building towards a 15 percent reserve.

General Fund Revenue

Major General Fund revenue sources and trends are described below. Including the \$8.7 million transfer in from the IGT Fund, total General Fund financing sources are projected to be \$266.1 million.

The chart below shows historical General Fund revenues and other financing sources since FY 2010/11, the District’s revenue low point during the Great Recession. Fiscal Year 2022/23 is expected to yield the tenth consecutive year of property tax revenue growth and twelfth consecutive year of total revenue growth. Property tax revenues as a share of total financing sources declined 5% since FY 2010/11, reflecting a trend of increased share of emergency medical services cost recovery over that period.

Projected FY 2022/23 General Fund revenues of \$257.4 million represent an increase of \$20.7 million compared to the unaudited FY 2021/22 revenues of \$236.7 million. The primary factors contributing to this change include:

Property Taxes

Property tax revenues of \$189.3 million account for approximately 74% of total General Fund financing sources. After final budget reconciliations, property tax revenues are expected to grow 7.6% over FY 2021/22 and 12.7% over the FY 2020/21 revenues of \$167.9 million.

Medic Cost Recovery

Medic cost recovery revenues of \$47.0 million represent an increase of approximately 3.6% over the FY 2021/22 midyear budget of \$45.3 million, resulting from a combination of a scheduled inflation-related cost increase and an anticipated return to ambulance transport activity more closely resembling pre-pandemic levels. Medic cost recovery revenues are anticipated to be approximately 9.1% over the FY 2020/21 revenues of \$43 million.

GEMT Reimbursement

Retroactive payments expected to be received during FY 2022/23 result in a \$4 million budgeted increase in GEMT revenue relative to the FY 2021/22 Midyear Budget. A \$1 million increase relative to the preliminary budget has been added to reflect anticipated GEMT payments for FY 2021/22.

General Fund Expenditures

General Fund expenditures of \$256.6 million represent a \$9.1 million (2.1%) increase compared to FY 2021/22 unaudited expenditures, and a \$27.5 million (12%) increase compared to FY 2020/21 expenditures. Including the \$5 million transfer to the Capital Facilities Fund to fund debt service and capital purchases not being financed, overall General Fund expenditures are \$261.6 million.

The primary factors contributing to the change in expenditures compared to FY 2021/22 include:

Labor

The District's labor costs constitute 82.1% of FY 2022/23 General Fund expenditures, totaling \$214.6 million; a \$4.4 million (2.1%) increase compared to the FY 2021/22 mid-year budget. Labor costs in FY 2022/23 will be \$18.4 million (9.4%) above actual labor costs in FY 2020/21.

The largest factor contributing to the increase in General Fund labor expenses is wages, which are expected to grow by \$6.1 million (9.2%) above the unaudited FY 2021/22 estimate, mainly due to a negotiated 4% wage increase that became effective March 1, 2022, wage savings in FY 2021/22, and promotions.

Closely following that expense leader is the District's required contribution to the CalPERS Safety Plan, which is budgeted to increase by \$5 million (11.3%) relative to 2021-22, to approximately \$49.6 million, due to an increase in the required unfunded liability contribution resulting from an actuarial loss for the most recent calculated plan year that ended June 30, 2021. (The substantial market gains reported by PERS in July 2021 will be incorporated into local government plans for FY 2023/24, a two-year lag.)

A notable reduction in labor expense is constant staffing, which is projected to decline by \$4.1 million (17.3%) due to a substantial increase in new hires in FY 2021/22 and an anticipated reduction in COVID 19-related leaves.

The FY 2022/23 Final Budget does not reflect any expenditure changes associated with the terms of the District's current labor agreements, which expire on December 31, 2022.

The following table displays staffing levels from the prior and current year: the number of funded full-time positions by division, proposed changes, and the resulting number of recommended funded full-time positions. The nine additions to funded full-time positions in the current year include six fire department medics, a day staff captain in Air Operations, a day staff captain in Training, and a GIS CQI manager in EMS. Additionally, budget savings for wages and benefits have been assumed for certain positions that are expected to be vacant for at least part of the fiscal year.

A detailed presentation by division, unit, and position can be found in the Personnel section of this report.

Total Funded Full-Time Positions	699	9	708

COMPENSATION AND BENEFITS

Total compensation will grow by \$4.5 million relative to FY 2021/22, reaching \$116.5 million, a 4% increase.

In FY 2022/23 retirement benefits, including CalPERS retirement costs, pension bond payments, and residual payments to the Sacramento County Employees' Retirement System will increase by \$2.9 million or 5% to \$61.1 million.

Medical-related benefits are expected to decline slightly, mainly due to CalPERS' recognition of market gains that reduced Other Post-Employment Benefit payments for local agencies. Costs will drop from \$34.9 million to \$32.8 million, a 6.1% change.

Services and Supplies

The General Fund services and supplies budget totals \$37.4 million, an increase of approximately \$4.4 million from the prior year. Changes from FY 2021/22 include:

- An increase of \$744,000 for the District's liability and property insurance premium
- An increase of \$456,000 for education and training services, mainly to restore trainings deferred during the height of the pandemic
- An increase of \$354,000 for vehicle maintenance services

Taxes, Licenses, Assessments, Debt Service & Contributions

This expenditure category includes the assessment paid to the County for property tax administration, the assessment paid to the State for the Ground Emergency Medical Transport Quality Assurance Fee (GEMT QAF), General Fund debt service payments and other assessments and fees. FY 2022/23 expenditures for this category are budgeted at \$4.6 million, which represents a \$166,000 increase relative to FY 2021-22 unaudited figures.

It should be noted that the Department of Healthcare Services (DHCS) under an agreement with the federal Centers for Medicare and Medicaid Services, intends to implement a redesign of the GEMT program, effective January 1, 2023. The fiscal impact of the redesign is not clear at this time and any adjustments to GEMT revenues will be made in the FY 2022/23 Midyear Budget.

General Fund Reserves

The amount of General Fund reserves is expected to be \$36.2 million on June 30, 2023. This amount represents 13.8% reserve, net of budgeted expenditures. Any savings recognized from FY 2021/22 and achieved during FY 2022/23 will improve the District's reserve level.

As specified in the policy, any unassigned fund balance remaining at fiscal year-end will initially be classified as General Fund Operating Reserves and be included in the reserve amount.

General Fund Forecast

The following table provides a five-year forecast (FY 2022/23 + five fiscal years) of General Fund revenues, expenditures, and transfers. Over this period the District's revenues are expected to grow modestly, ahead of expenditures, and sufficient fund balances will accrue to meet the District's 15% reserve percentage target.

GENERAL FUND FORECAST, FY 2022/23 - 2027/28							
	Final Budget						
	2022-23	2023-24	2024-25	2025-26	2026-27	2027-28

VOLUNTARY RATE RANGE PROGRAM (VRRP) INTERGOVERNMENTAL TRANSFER (IGT) FUND

Intergovernmental Transfers (IGT) in the Voluntary Rate Range Program (VRRP) allow the recovery of federal funds associated with the District’s transport of Medi-Cal managed care beneficiaries. The expenditures and revenues associated with these transfers are tracked in a separate fund in order to provide greater transparency, and the net revenue generated is transferred to the General Fund to fund District cost to provide healthcare-related operations.

It is anticipated that IGTs covering activity between January 2021 and December 2021 will be completed during FY 2022/23. A total of \$5.8 million is expected to be transferred to the State in order to receive approximately \$14.5 million, for net IGT revenues of \$8.7 million.

CAPITAL FACILITIES FUND

The Capital Facilities Fund accounts for the costs of acquiring and financing capital assets. Transfers are required from the General Fund to cover the cost of any assets not financed and to pay debt service.

Budgeted expenditures for FY 2022/23 total \$20.8 million, which includes \$15.7 million for capital outlay. Approximately \$7.9 million of the capital outlay expenditures is expected to be financed through capital leases.

The remaining capital expenditures and debt service payments are funded with a \$5 million transfer from the General Fund and \$630,000 in assumed revenues from the sale of a former fire station property.

Major capital purchases for FY 2022/23 include:

- Five Type I engines - \$4.2 million
- Three ambulances - \$1.2 million
- Six ambulance remounts - \$1.2 million
- One aerial fire truck - \$1.3 million
- Conversion of a third helicopter to perform emergency operations - \$750,000

GRANTS FUND

The FY 2022/23 Final Budget anticipates Grants Fund revenues of \$5.2 million and expenditures of \$5.3 million, with the gap closed by transfers or new grant funds. As additional grants are awarded and accepted, the associated revenues and expenditures will be reflected through revisions to the budget.

DEVELOPMENT IMPACT FEES FUND

Annual development impact fee revenue of \$1.3 million is budgeted for FY 2022/23. Use of this revenue source is restricted to costs related to new fire stations and equipment needed to mitigate the impacts of new development. During FY 2022/23, the District expects to use this funding for planning for a new Vineyard Springs fire station and land acquisition for a new Grant Line 220 fire station.

LEASED PROPERTIES FUND

The District leases property not required for current operations and accounts for the revenues and expenditures associated with leased property in the Leased Properties Fund. Total lease revenue for FY 2022/23 is expected to be \$1.1 million and expenses associated with the leased property are anticipated to be \$1.1 million, for a net fund reduction of \$24,000.

DISTRICT COMPARISON

The District is the seventh-largest local fire agency in California and, as a special district commissioned mainly to provide fire suppression and emergency transport for 16 communities and 2 counties, has no perfect reference for comparison. The best comparative model identified is the Orange County Fire Authority (OCFA), which serves 24 communities and 1.89 million persons across 587 square miles, compared to the District's 720,000 persons across 359 square miles.

The most recent adopted OCFA budget for FY 2021/22 shows the total OCFA General Operating Fund budget to be \$449.1 million, compared to District's \$247.5 million General Fund budget over the same period. On a per capita basis, the OCFA general operating budget equates to a \$237.62, compared to \$343.75 for the District, a difference of \$106.13.

Revenue sources are similar to OCFA as well. Property taxes made up 73% of District revenues in FY 2021/22, compared to 63.3% for the OCFA. Charges for services made up 24.3% of total District revenues in FY 2021/22, compared to 30.7% for the OCFA.

RISKS AND ISSUES

Through proactive financial planning and forecasting, the District has identified risks and issues that must be addressed to ensure the District's long-term fiscal health. The Final Budget for FY 2022/23 reflects continued focus on addressing the risks and issues described below.

Unfunded Liabilities for Pensions and Other Post-Employment Benefits (OPEB)

The FY 2022/23 budget reflects an increase of almost \$5.3 million (11.3%) in required contributions to CalPERS to fund the District's pension plans, resulting largely from increased payments on the unfunded liability. Required pension contributions are expected to grow more slowly through FY 2024/25, as strong market performance in FY 2020/21 and a lowered assumed reduction in investment return are fully phased in.

The FY 2022/23 budget also reflects a \$2.8 million payment to the Sacramento County Employees' Retirement System in accordance with a funding agreement to address the unfunded pension liability associated with a predecessor fire agency. Under this agreement, the District will make annual payments through FY 2036/37.

In accordance with Board policy, \$25.5 million in outstanding Pension Obligation Bond principal was redeemed during FY 2018/19 using amounts set aside each year for this purpose, reducing the District's outstanding pension bond debt. Approximately \$2 million is being set aside in FY 2022/23 and future years to redeem an additional \$20 million in Pension Obligation Bond principal in 2025.

The District has been pre-funding its OPEB retiree medical obligations since 2013 and the FY 2022/23 budget reflects a full funding policy contribution of \$20.3 million (\$2.5 million decrease compared to FY 2021/22). This contribution will fund the explicit subsidy liability, budgeted as a combination of retiree medical premium payments and contributions to the California Employers' Retiree Benefit Trust (CERBT) Fund.

Unfunded Capital Replacement and Maintenance

The FY 2022/23 budget includes nearly \$8 million in capital outlay spending. Of that amount, approximately \$3 million is budgeted for the replacement of apparatus and other vehicles. The District expects to have continued significant vehicle replacement needs in the future, resulting in escalating costs.

The FY 2022/23 capital outlay spending also includes \$590,000 associated with the design of a new Vineyard Springs Station and land acquisition for a Grant Line 220 station. As new

development continues to occur within the District, future budgets are expected to include costs associated with constructing and equipping new fire stations.

Capital project needs exceed what the District currently generates and can reasonably be expected to generate through its primary revenue sources; property taxes and emergency medical transport revenues. The District's new CIP Plan identifies more than \$200 million in capital projects. Additionally, the District's most recent Facility Condition Assessment identified the need for over \$80 million of repairs to existing fire stations and facilities over the next 20 years, as well as approximately \$50 million of modernization costs for these facilities. With information gleaned from the CIP Plan, the District expects to evaluate other means to meet capital needs, including financing and revenue options.

Federal Program Changes Affecting Emergency Medical Transport Revenues

Through the IGT and GEMT programs, the District receives additional federal funding associated with emergency transports of Medi-Cal managed care beneficiaries and uninsured beneficiaries. The amounts and timing of this supplemental funding have not always been consistent from year to year and, as a result, the District has taken the approach of accounting for this activity separately from the General Fund and budgeting IGT funding as a General Fund financing source only after the amounts are actually known. These programs will be redesigned by the federal and state agencies responsible for their allocation and significant changes will occur during FY 2022/23, which may augment or reduce funds available. Revenue estimates will be updated as that information becomes available and in the FY 2022/23 Midyear Budget. Funding opportunities to direct this funding source toward one-time expenditures will continue to be practiced as future budgets are developed.

RECOMMENDATION

Staff's recommendation to the Board of Directors is to approve the FY 2022/23 Final Budget.

Todd Harms

Todd Harms was appointed as the Sacramento Metropolitan Fire District's (Metro Fire) sixth Fire Chief on November 12, 2016.

Harms began his fire service career in 1981 as a Firefighter Paramedic in Peotone, Illinois, and in 1987, became a member of the Phoenix Fire Department. He has progressed through the ranks as a Firefighter, Paramedic, Engineer, Captain, Battalion Chief, Assistant Chief, Deputy Chief and Shift Commander.

Harms has 35 years of public safety service, of which nine were spent serving as an Executive Staff member for the Phoenix Fire Department. During his tenure, he has had oversight of the Training Academy, Command Training Center, Special Operations, Operations, Personnel, Emergency Medical Services, Technical Services, dispatch and the Regional 9-1-1 services. He has been an Urban Search and Rescue (US&R) team member, with deployments to Hurricanes Katrina and Rita. Harms holds a Bachelor's degree in Fire Service Management and is a past adjunct instructor at Phoenix College in the Fire Science Program.

DISTRICT HISTORY & BACKGROUND

On September 25, 1999 by unanimous vote, the Board of Directors of the American River Fire Protection District adopted an application for reorganization resolution with the Sacramento County Fire Protection District. On September 23, 1999, the Board of Directors of Sacramento County Fire Protection District adopted the application for reorganization with the American River Fire Protection District. The adoptions of these resolutions officially called for the reorganization of both districts, which occurred on December 1, 2000.

The administration and membership of the Sacramento Metropolitan Fire District (District) recognize the contribution and rich history of its predecessor districts. There are 16 prior fire districts represented in the Metro Fire organization. The predecessor fire districts include:

<u>Arcade</u>	01/26/42 to 06/30/86	<u>McClellan Field</u>	1937 to 04/01/01
<u>Arden</u>	01/04/43 to 07/31/83	<u>Michigan Bar</u>	01/01/43 to 11/09/47
<u>Carmichael</u>	01/30/42 to 07/31/83	<u>Mills</u>	06/08/22 to 11/01/59
<u>Citrus Heights</u>	12/31/33 to 06/30/89	<u>North Highlands</u>	09/24/51 to 06/02/84
<u>Elverta</u>	10/22/25 to 12/31/86	<u>Orangevale</u>	03/02/36 to 12/01/45
<u>Fair Oaks</u>	03/27/28 to 11/02/93	<u>Rancho Cordova</u>	11/02/59 to 06/30/89
<u>Florin</u>	01/26/42 to 06/30/97	<u>Rio Linda</u>	06/23/23 to 12/31/86
<u>Mather Field</u>	1918 to 09/03/93	<u>Sloughhouse</u>	11/10/47 to 06/30/90

Sacramento Metropolitan Fire District is the largest district in the County of Sacramento and the seventh largest local fire agency in the State of California. The combined District now consists of about 700 employees with an area encompassing 359 square miles that include Sacramento and Placer counties.

Demographic Information

District Size	359 square miles
Population	719,782
Population Growth in 2019-2020	1.06%
Housing Units	271,536
Average Household Size	2.72
Diversity Index*	76.3
Median Household Income	\$63,494
Average Household Income	\$84,362
% of Pop. with High School Diploma	21.9
% of Pop. with BA/BS or Higher	27.2
Elevation	30'
Fire Protection ISO Rating	2/2Y-3/3Y**

* Diversity Index is a U.S. Census measurement of the probability that two people chosen at random in a given area will be from different race and ethnic groups.

** Rating depends on location in District. The ISO rating measures the preparedness level a fire district to handle a fire incident and includes factors like availability of water sources.

BUDGETARY AND FINANCIAL FRAMEWORK

BUDGETARY AND FINANCIAL FRAMEWORK

BUDGETARY FUND STRUCTURE

The FY 2022/23 Final Budget includes appropriations for the following District budgetary funds:

- General Fund
- Capital Facilities Fund
- Leased Properties Fund
- Grants Fund
- Development Impact Fees Fund
- Intergovernmental Transfer (IGT) Fund

For purposes of the District's financial statements, activities of the IGT Fund and Leased Properties Fund are combined with those of the General Fund.

FUND DESCRIPTIONS

The *General Fund* is the general operating fund of the District. It is used to account for all financial resources except those required or designated by the Board of Directors to be accounted for in another fund.

The *Capital Facilities Fund* is a capital projects fund used to account for the acquisition and construction of the District's capital assets. It is primarily funded by capital lease financing and general fund operating transfers.

The District leases property not required for current operations and accounts for the revenues and expenditures associated with leased property in the *Leased Properties Fund*.

The *Grants Fund* is a special revenue fund used to account for the proceeds of federal and state grants that are legally restricted to expenditures for specific purposes.

The *Development Impact Fees Fund* is a capital projects fund used to account for all resources received from development impact fees. It is used for the construction or acquisition of future fire stations and acquisition of apparatus to serve new developments.

The *Intergovernmental Transfer (IGT) Fund* is used to account for the revenues and expenses associated with the District's participation in Medi-Cal IGTs.

FUND RELATIONSHIPS AND INTERFUND TRANSFERS

Budgeted operating transfers from the General Fund to the Capital Facilities Fund result from shortfalls of revenues and other financing sources relative to expenditures and other financing uses in that fund. Budgeted operating transfers from the General Fund to the Grants Fund result from any local funding matches required by grant agreements.

Budgeted operating transfers to the General Fund from the IGT Fund result from the net revenue received as a result of participation in the IGT program and are used to offset the General Fund cost of providing health care services.

BASIS OF BUDGETING

The modified accrual basis of budgeting is used for all funds. This basis is the same as the modified accrual basis of accounting used in the District's audited governmental fund financial statements. Under this basis, revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the District considers all revenues, except property taxes, to be available if they are collected within 90 days of the end of the current fiscal period. Property taxes are recognized if received within

BUDGETARY AND FINANCIAL FRAMEWORK

60 days of the end of the current fiscal period. Property taxes, charges for services, intergovernmental revenues, rental income, and investment earnings associated with the current fiscal period are all considered to be susceptible to accrual. Expenditure-driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other eligibility requirements have been met, and the amount is received during the period or within the availability period for this revenue source. All other revenue items are considered to be measurable and available only when cash is received by the District.

Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and workers compensation claims, are recorded only when payment is due. General capital asset acquisitions are reported as expenditures in governmental funds. Issuance of long-term debt and acquisitions under capital leases are reported as other financing sources.

BASIS FOR KEY REVENUE ASSUMPTIONS

Property Taxes

In general, property tax revenues are estimated based on assessed values of properties within the District's jurisdiction. For FY2022-23, the estimate starts with a base of FY2021-22 actual assessed values of real property. Adjustments are then made for the following items:

- A CPI up to a maximum of 2% is applied to this base amount,
- Prop 8 parcel values are first either increased, decreased, or projected flat depending on median sale price changes and then added,
- Transfer of ownership assessed value change based on known 2021 transfers are also added.

This will result to an estimated real property value to which we make minor additions (e.g., personal property values) to come up with the estimated net taxable value. The net taxable value is then multiplied by the 1% tax rate and adjusted for estimated delinquencies based on historical averages to come up with the Final budgeted property tax revenue.

EMS Revenues

Medic revenues are estimated starting with last year's budgeted EMS revenues or actual revenues if already available increased by CPI and estimated increase in the number of medical transports based on actual trends identified during the prior fiscal year.

LEVEL OF BUDGET CONTROL

The District's appropriated budget is prepared by fund, division, and object level. The legal level of budgetary control is at the fund level and then the object level. Each fund has its own budget for the following items: 1) salaries and benefits, 2) services and supplies, 3) capital outlay, and 4) debt service and other expenditures. The Board must approve amendments or transfers of appropriations between funds or objects.

Appropriations in all budgeted funds will lapse at the end of the fiscal year even if they have related encumbrances. Encumbrances are commitments related to unperformed (executory) contracts for goods or services (i.e., purchase orders, contracts, and commitments). Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. While all appropriations and encumbrances lapse at year-end, valid outstanding encumbrances (those for which performance under the executory contract is expected in the next year) are re-appropriated and become part of the subsequent year's budget.

BUDGETARY AND FINANCIAL FRAMEWORK

The District uses cost accounting for budgeting, preparing a budget based on estimated costs provided by division personnel and reviewed by District management. Budget reports include revenue and expense projections for the budget year and estimates for at least four subsequent years. Additionally, related budget information is provided such as personnel assignments and division goals.

KEY FINANCIAL POLICIES

Financial policies adopted by the Board of Directors are summarized below.

Capital Asset Policy

The District’s Capital Asset Policy defines capital assets as land, buildings, equipment, and other related improvements with an individual cost of \$5,000 or more and a useful life of at least one year. The policy establishes a capital asset accounting system that provides guidelines for the accountability and financial and physical control of capital assets, consistent and uniform procedures and transactions for accounting of capital assets, and compliance with funding entity requirements for grant-funded assets. Board approval is required for budgeted capital asset acquisitions and for disposal of capital assets. This policy also requires a biennial inventory of all capital assets.

Capital Improvement Program Policy

The District’s Capital Improvement Program Policy organizes, facilitates, and memorializes capital needs and goals in order to efficiently and transparently develop and support the physical infrastructure of the District. Rigorous and methodical evaluation of facility, apparatus, and equipment needs and financing options ensures that existing and future capital needs are met, in compliance with the District’s strategic plan and financial resources. The development of the CIP is a coordinated effort across the District, with the capital project planning process overseen by the Planning and Development Division and the finance and budget process elements overseen by the Finance Division.

Debt Management Policy

The District’s Debt Management Policy sets forth written guidelines for the issuance, structuring, and administration of debt issued to finance District expenditures. This policy prohibits the issuance of long-term debt to fund District operating costs, as well as the use of any derivative products. Debt structuring provisions include a requirement that the maturity of a debt issue be consistent with the economic or useful life of the asset being financed, generally level annual debt services payments, and preferences for fixed interest rates and optional redemption at a reasonable call date.

Pension Funding Bonds Early Payoff Policy

The Pension Funding Bonds Early Payoff Policy establishes the framework for ensuring that the District’s Pension Obligation Bonds are paid off in a manner designed to minimize interest costs and provides a mechanism for paying off the bonds at the earliest possible dates. This policy requires annual deposits with the Pension Bond Trustee such that these amounts, together with investment earnings, will be sufficient to retire the Series 2004B Bonds on their call date of November 19, 2025.

Reserve Funding Policy

The Reserve Funding Policy establishes minimum and maximum target reserve levels as follows:

DESCRIPTION	MINIMUM	MAXIMUM
UNASSIGNED FUND BALANCE		
1) Operating Reserves ¹	1.8 months (15%)	6 months (50%)

BUDGETARY AND FINANCIAL FRAMEWORK

COMMITTED FUND BALANCE		
2) Self-Insurance Reserves ¹	Short-term liability	Total liability
3) Compensated Absence Reserves ¹	Amount expected to be paid in next 12 months	Total obligation owed to all employees
4) Capital Replacement Reserves ²	Annual depreciation	Accumulated depreciation
5) Early Debt Extinguishment Reserves ¹	Ratable amount needed to retire pension obligation bonds at call dates	Total outstanding pension obligation bond principal
RESTRICTED RESERVES		
6) Capital Improvement Program (CIP) Reserves ³	10% of current year planned CIP expenditures	Amount needed to fully fund the CIP
7) Debt Service Reserves ^{1 2 4}	Amount required by bond documents	None
9) Post-Retirement Medical Reserves (CERBT) ⁵	Cumulative ARC contributions plus interest earnings	Actuarial present value of other postemployment benefits
[1] General Fund [2] Capital Facilities Fund [3] Development Impact Fees Fund [4] Leased Properties Fund [5] CERBT Trust (not District-held)		

LEGAL DEBT LIMIT

California Health and Safety Code Section 13937 establishes the District’s legal debt limit at 10% of the assessed value of all taxable property within the District; however, this Code section was enacted when assessed valuations were based on 25% of full market value. To account for an adjustment of valuations based on full market value, the District’s debt limit is calculated at 2.50% of total assessed value within the District.

As of June 30, 2021, the District’s bonded debt limit was \$1,851,938,566. Outstanding applicable debt as of the same date was \$31,177,079, for a legal debt margin of \$1,820,761,487.

BUDGET PROCESS

The District’s budget cycle generally consists of three adopted budgets each fiscal year, according to the following calendar:

- On or before June 30th: Adoption of the Final Budget for the following fiscal year
- On or before October 1st: Adoption of the Final Budget for the current fiscal year
- After December 31st: Adoption of the Mid-Year Budget for the current fiscal year

Preliminary Budget

Preliminary Budget development generally begins in early spring for the following fiscal year’s budget. District budget officers are invited to attend a budget kick-off meeting, at which time information regarding the long-term financial outlook and expected funding levels is shared. Divisional budget requests are then submitted for changes in position count or classification, overtime, services and supplies, and capital outlay. The Finance Division is responsible for preparing revenue estimates, and compiling and preparing the expenditure budgets based on submitted requests.

BUDGETARY AND FINANCIAL FRAMEWORK

Compiled budget requests are reviewed by budget officers at the Branch level. The resulting budget is then reviewed by Executive Staff to determine the budget that will ultimately be recommended to the Board based on organizational priorities and funding constraints. The Preliminary Budget is first presented to the Finance and Audit Committee for informational purposes and then to the Board of Directors for approval.

Final Budget

The Final Budget process begins in July, after the close of the previous fiscal year. Any requests for expenditure changes are submitted by budget officers and revenue estimates are updated based on newly available information. Typical final budget changes include re-budgeting of items not actually expended in the previous fiscal year and adjustment of property tax estimates based on assessed values released by the County Assessor.

The Final Budget is typically presented to the Finance and Audit Committee in August and recommended to the Board for adoption in September.

Mid-Year Budget Reviews

Throughout the year, budget officers monitor actual expenditures compared to budget on a monthly basis. The Finance and Audit committee receives bimonthly reports of revenue and expenditure activity compared to budgeted amounts. Additionally, following the close of a fiscal quarter, a formal District-wide budget review is undertaken in which budget officers update estimates of annual spending for each budget account.

The 2nd Quarter review serves as the basis for the District's Mid-Year Budget changes, which are based on actual results through December 31st of each year. The Mid-Year Budget process typically begins in January, with a presentation to the Finance and Audit Committee in February and Board adoption in March.

DISTRICT STRATEGIC PLAN

In 2019, the District adopted a new Strategic Plan identifying initiatives, projects, and desired outcomes associated with the following high-level elements:

1. Members
2. Service Delivery
3. Capital Assets
4. Financial Management
5. External Engagement

LONG-RANGE FINANCIAL PLANNING

As a part of the District's strategic planning efforts, long-range financial trends are analyzed to identify financial challenges and develop plans to address them. Identified challenges include the escalating costs of pension and other postemployment benefits, equipment replacement and facility maintenance needs due to deferred investment during the Great Recession, and a potential interruption or reduction in IGT funding.

With regard to pension and other postemployment benefits, the District's practice is to annually fund the actuarially determined contribution amounts for pension and the amount associated with the explicit subsidy liability for other post-employment benefits. Funding at these contribution levels is intended to ensure the long-term sustainability of these benefits.

To address equipment and facility needs, the District has developed a vehicle replacement plan, a District-wide facility condition assessment, and recently issued its first Capital Improvement Program (CIP) Plan. Each of

BUDGETARY AND FINANCIAL FRAMEWORK

these efforts will inform the level of capital outlay and facility maintenance spending required to support current and anticipated service level needs.

In order to mitigate any impact of reduced IGT or GEMT funding levels in the future, the District is evaluating all opportunities to achieve full cost recovery for emergency medical services, including supporting efforts already underway to maximize reimbursements for Medi-Cal services.

ECONOMIC OUTLOOK

The District's economic outlook is heavily dependent on property taxes. Comprising nearly 74% of total revenues, real estate market trends have a direct impact on the District operations. The District has enjoyed ten straight years of property tax growth since the Great Recession and, while continued growth is expected, the size of that growth is anticipated to shrink substantially.

The single biggest factor affecting property tax revenue are home sales. Portions of the District have seen rapid growth in new homes, while demand for homes (resale and new) has stayed strong throughout the pandemic. While Proposition 13 limits growth in assessed value to 2.00% per year unless the property is reassessed, the most recent Sacramento County Assessor's report (July 2022) documented a surge in assessed values that will lead to 8.0% growth in property taxes across the County. The District contracts with HdL Coren and Cone for property tax analysis and projections, who calculated 7.5% growth in property tax revenues for the District in 2022-23.

According to the California Association of Realtors, the median home price in Sacramento County is now \$550,000—among the highest prices in the country. Housing affordability has declined to where now less than 40% of households could afford the median price home. While the Federal Reserve's recent interest rate hikes show signs of softening the home buying market, home prices are not expected to fall significantly in the District area in FY 2022/23.

The following table documents property tax growth in since FY 2015/16.

The second-most consequential economic driver for the District is Emergency Medical Services revenue. During late FY 2019/20 and the first half of FY 2020/21, the District experienced a sizeable reduction in Emergency

BUDGETARY AND FINANCIAL FRAMEWORK

Medical Services (EMS) revenues. Those impacts diminished during the second half of FY 2021/22 and EMS revenues are expected to return to modest annual growth during 2022-23, with \$47.0 million in revenues anticipated.

The following table documents medic fee (EMS) revenues since FY 2015/16.

BOARD OF DIRECTORS

DIVISION BACKGROUND:

The Sacramento Metropolitan Fire District is an independent special district governed by a nine-member Board of Directors. Each Board Member is elected by represented divisions from within Metro Fire’s jurisdictional boundaries to serve alternating four-year terms of office. The Board of Directors establishes policy for the organization and is directly accountable to the citizenry.

The Board carries out its fiduciary duty by establishing the vision, mission, and strategic goals that will ensure the District meets its obligations and commitment to the public. It is responsible for adopting the District’s annual budget and exercises its fiscal oversight duties by reviewing bi-monthly financial statements and the annual independent audit which facilitates making vital decisions governing the future direction of the District. The Board is responsible for the governance of the District and the appointment of the Fire Chief to carry out the day-to-day administration of the policies and budget set by the Board.

RECENT ACCOMPLISHMENTS:

- Maintained a fiscally responsible budget due to the Covid-19 pandemic, which increased staffing needs.
- Completed the decennial redistricting process following the 2020 Census. Metro Fire worked with Redistricting Partners to minimally adjust the boundaries of each division and created an equal voter population for each Director to represent.

BUDGET DISCUSSION:

In an effort to ensure delivery of the most efficient level of service to the constituency, a fiscally conservative budget is maintained. Additionally, an annual audit will be conducted to meet the fiduciary responsibility to the citizenry. In November 2022 a general election for seats in divisions 1, 3, 7 and 9 will be held; therefore election related expenditures have been included. On-going travel expenses are utilized to improve public relations and enhance communications, as well as foster cooperation with other special districts and local agencies in attaining mutual goals.

GOALS FOR UPCOMING YEARS:

The Board of Directors goals for the upcoming fiscal year conform to the strategic plan objectives pertaining to Members, People of Metro Fire; Service Delivery, All Services and Programs; Capital Assets; Financial Management; and External Engagement). By June 30, 2023 the Division will deliver a balanced budget while maintaining a high level of service to the community. With the Strategic Plan now in the third year, the Board will continue to work with the Fire Chief to maintain the Strategic Plan allowing staff to focus measurable efforts to ensure the Board’s goals are met.

*Requesting to reclassify to Administrative Analyst.

DIVISION BACKGROUND:

The Fire Chief is the chief executive officer for the Sacramento Metropolitan Fire District (Metro Fire). Under the direction of the Board of Directors, the Fire Chief provides leadership and is responsible for the overall management of the District. The Fire Chief is responsible for developing the vision and strategy for the District in conjunction with the goals and objectives established by the Board. With the selection and mentoring of his executive staff, they assure effective performance, quality service delivery, and promote a strong relationship between labor and management to foster a positive work environment for Metro Fire members. It is the Fire Chief's responsibility to coordinate the operations of the District with other local, regional, and state fire protection agencies, as well as other governmental agencies and the public.

RECENT ACCOMPLISHMENTS:

- Through the Service Delivery Team, collaborated with internal stakeholders to evaluate the current service delivery model, identifying opportunities in a recommendation for SAFER position placement and developing a resource for the next five years.
- Continued to provide guidance and overall management of the District's response and recovery efforts for the COVID-19 pandemic Metro Fire members served tirelessly as vital frontline responders during the pandemic and worked alongside other special district partners in advocating for direct access to federal stimulus funding to offset the impact of response and recovery efforts.
- Through a collaborative effort, participated in the Ambulance Patient Offload Time (APOT) Committee to develop advisory recommendations, including legislative and regulatory changes to improve patient offload durations and share successful pre-hospital and hospital system efficiencies that reduce or eliminate ambulance patient offload delays in the transfer of care from EMS ambulance personnel to receiving hospital emergency medical personnel.

BUDGET DISCUSSION:

Budget requests for the Office of the Fire Chief can be grouped into the following major areas:

- Memberships: These memberships are deemed essential to the day-to-day operations of the department and support existing programs and customer service-based partnerships with organizations within the District's jurisdiction, and with organizations at the local, state, and international levels.
- Business/Conference: The Fire Chief and selected personnel will attend annual conferences, meetings, etc. when deemed necessary. All costs associated with these functions are covered in this account.
- Other Services and Other Supplies: These accounts are used for "Other Professional Services" that are not covered by another division's budget, as well as expected and unexpected district obligations, special recognition, and any other items not covered by other divisions or accounts.

GOALS FOR UPCOMING YEAR:

The Office of the Fire Chief's goals for the upcoming fiscal year conform to the strategic plan goals to improve (Strategic Plan: Members, People of Metro Fire; Service Delivery, All Services and Programs; Capital Assets; Financial Management; and External Engagement). Specifically, by June 30, 2023 the Office will:

- Carry out the day-to-day administration of policies set by the Board of Directors and state and legislative mandates. This will be done by continuing to work collaboratively with the Board of Directors, management and labor teams, state and local partners, community groups, and stakeholders to ensure that the District's service delivery model continues to maximize efficiencies and provide the highest level of service to communities, while maintaining fiduciary obligations.
- To ensure the District is effectively and efficiently providing the highest level of service, continued assessment of service delivery models and deployments will be prioritized, enhancing organizational communications and continuous training opportunities, and building consistency and accountability within the organization.

PERFORMANCE MEASURES:

The Office of the Fire Chief utilizes the District's Strategic Plan as a management tool to guide projects and strategize desired outcomes in the areas of members, service delivery, capital assets, financial management, and external engagement. On an annual basis, the Office reviews the key strategies and associated initiatives to ensure projects and desired outcomes assigned to each are relevant and remain reflective of the guidance provided by the Board of Directors.

In the course of business, the Office of the Fire Chief integrates The Metro Way as the foundation of Metro Fire's cultural philosophy and the catalyst for accomplishing the District's mission and working together cohesively to optimize the balance of safety, efficiency, and effectiveness in service delivery.

PLANNING & DEVELOPMENT

DIVISION BACKGROUND:

The Planning and Development Division is responsible for the successful administration of the District's grants administration, economic development, land use, planning, governmental affairs, and real estate activities in support of the District's short and long range needs, goals, and objectives.

RECENT ACCOMPLISHMENTS:

- Submitted 12 funding requests totaling \$72.4 million for projects including replacement of essential EMS, HazMat, and Unmanned Aerial Vehicle (UAV) equipment; fire station design and construction projects; home fire and life safety campaign; firefighter training, health, and wellness initiative; and the Phase 3 buildout of the Zinfandel First responder Training Facility.
- Managed grant awards totaling over \$16.5 million for projects including staffing of 21 firefighters (\$11,496,721), cardiac monitor/defibrillator replacement (\$3,559,515), fire ground survival training (\$478,316), generator installation (\$300,000), community risk assessment (\$261,518), COVID-19 pandemic response supplies/equipment (\$171,678), swift-water rescue boat replacement (\$113,663), hazmat trace detection analyzer (\$105,000), Phase 2 of a flood response program (\$72,360), and station access control (\$33,723).
- Completed construction of Fire Station 68.
- Completed the Capital Improvement Plan (CIP).
- Updated the Natomas Feasibility Study.
- Completed Capital Facilities Impact Fee Study update.
- Represented the District as a member of the CSDA Legislative Committee, Cal Chiefs/FDAC Joint Legislative Committee, and the Cap to Cap Public Safety Team.

BUDGET DISCUSSION:

In FY2022/23, the Planning and Development Division will continue to focus on the management of District properties, planning for future growth, anticipating legislative impacts to the District, and securing funding to fulfill District needs.

GOALS FOR UPCOMING YEAR:

- Develop and implement the Standards of Cover which will serve as the District's service delivery evaluation tool (Strategic Plan: Service Delivery 3a and 3b).
- Update the District's Municipal Service Review (MSR). (Strategic Plan: Service Delivery 3).
- Administer the District's Capital Improvement Plan (CIP) (Strategic Plan: Capital Assets 1-3).
- Continued service delivery evaluation and future fire station planning (Strategic Plan: Service Delivery 3a).
- Analyze proposed legislation for anticipated impact on the District (Strategic Plan: All Strategies).
- Identify external funding opportunities to meet District needs (Strategic Plan: Financial Management 1b).
- Engage partners at the local, state, and federal levels (Strategic Plan: External Engagement 1a).

PERFORMANCE MEASURES:

- Procedures manuals completed. The Division will complete Standards of Cover document and the Municipal Service Review.
- CIP Administration. The Division will administer the approved Capital Improvement Plan.

PEER SUPPORT PROGRAM

DIVISION BACKGROUND:

As a member agency of the Sacramento Regional Behavioral Health Committee, Metro Fire's Peer Support Team (Team) is committed to regional collaboration, support, development and implementation of fire service behavioral health principles and best practices. The Team is a critical component to the health and wellness of Metro Fire members and has proven to be extremely beneficial in helping many members navigate through difficult situations. The stresses faced by fire service members throughout the course of their careers can have a cumulative impact on mental health and overall well-being. Peer support programs have been demonstrated to be an effective method for providing support to members.

RECENT ACCOMPLISHMENTS:

- Continued collaboration with the Sacramento Regional Behavioral Health Committee and Sacramento County Fire Chiefs to enhance program capabilities, opportunities and resources at the local and regional levels.
- Continued expansion of regional peer counselor resources and professional providers for member services.
- Continued engagement with members including, but not limited to, conducting critical incident diffusions and debriefings, distributing EAP and behavior health materials and resources.

BUDGET DISCUSSION:

Budget requests for Peer Support can be grouped into the following major areas:

- Business/Conference: Peer support coordinators and selected members will attend annual conferences, meetings, etc. when deemed necessary. All costs associated with these functions are covered here.
- Education/Training Services: These funds are used for annual renewal of membership to the Sacramento Regional Behavioral Health Committee, and multidisciplinary training and workshops for new and existing peer support team members.

GOALS FOR UPCOMING YEARS:

The Team will pursue achievement of the strategic plan objectives (Members 1a, 3a and 3b) by accomplishing the following:

- Support Metro Fire's Firefighter Training, Health, and Wellness Initiative that is focused on improving the overall health of Metro Fire members and providing increased access to essential mental, physical, and behavioral health resources.
- Continue to expand the number of team members and peer counselors through education, training and outreach, and provide the essential training and resources required to address the growing needs of the membership.
- Continue to work towards adding shift-based peer support team members, essentially having at minimum one team member, per battalion, per shift.
- Continue to develop a robust referral network and enhanced professional provider list to address multi-disciplinary needs and to support Metro Fire's Training, Health, and Wellness Initiative.

PERFORMANCE MEASURES:

- Training opportunities. The Division will provide ongoing, at minimum quarterly, training and workshop opportunities for new and existing team members.
- Peer program introduction. Current peer members will provide in-person introductory training to members at each fire station across all shifts to improve awareness, training, and recruitment.

COMMUNITY RELATIONS DIVISION

DIVISION BACKGROUND:

Community Relations, working under the Office of the Fire Chief, coordinates and delivers the District's communications plan. This is accomplished through the use of social media, traditional print and television media, community events, and public meeting presentations. The Division consists of a Public Information Officer (PIO), a Community Relations Coordinator (CRC), and two Community Relations Specialists (CRS).

The PIO provides incident coverage and serves as the direct 24/7 point of contact for media inquiries. As a suppression member on what is typically an 18-month assignment to the Division, the PIO relies on practical experience in fire ground operations and emergency medicine.

The CRC and CRS are professional staff members who provide consistency to the Community Relations Division. The CRC works alongside the PIO to develop and deliver the district's communications plan. The CRS help deliver the communications plan through management of social media, production of messaging and marketing materials, attending community events, and delivering presentations to various groups.

RECENT ACCOMPLISHMENTS:

In January 2022, Metro Fire launched a proactive messaging strategy in an effort to educate the public about the impacts of Ambulance-Patient Offload Times (APOT) at hospitals and how that was affecting service delivery to the public. This messaging strategy resulted in numerous local stories around the Sacramento area, attendance at a California State Assembly Committee on Emergency Management hearing, and being featured on several NBC National News programs including NBC Nightly News with Lester Holt and the Today Show.

The Division oversaw the return of the Metro Fire pink and blue Cancer Awareness Engine in October and November 2021 after a hiatus in 2020 due to the COVID-19 pandemic halting attendance at community events. The engine was deployed with a pink side to show support for women's health causes and a blue side for men's health causes. The 2021 Cancer Awareness Engine featured a redesign to the look of the fire engine which was covered by community funding.

- Developed the use of a Metro Fire TikTok social media account to help bridge communication gaps with teens and young adults.
- Deployed public information officers on multiple regional and state-wide incidents including the River Incident near Colfax, CA and the Caldor Fire in El Dorado County, CA.
- Expanded internal video production to include the video series Member Monday, Behind the Badge, and Firehouse Friday to provide transparency and educate the public on more than the traditional fire ground and operations focused fire service media content.
- Expanded and developed the Metro Fire YouTube channel to make long-format incident footage available to internal and external audience as a training opportunity to refine fire ground strategies and tactics.

COMMUNITY RELATIONS DIVISION

BUDGET DISCUSSION:

In FY2022/23 Community Relations will continue to improve and enhance the visibility of Metro Fire as a premier all-hazards emergency service provider by soliciting and responding to local and national media opportunities. This will be accomplished by sustaining the staffing model for 24/7 coverage by the PIO and relief PIOs. Through the use of social media, Metro Fire will be able to deliver messages and stories direct to stakeholders.

Career development will be accomplished through training opportunities in public engagement, video production, and professional communications skills ensuring Community Relations personnel have the knowledge, skills, and abilities to meet the public's expectations. The Division will continue to upgrade equipment and refine work-flow in order to quickly produce quality content at a fiscally responsible price.

Working with internal and external stakeholders, Community Relations will continue to develop a comprehensive plan for consistent messaging, audience management, and content. By continuing to expand use of social media and in-house production of media content, the Division can craft the story, develop the content, and share the information with the community directly.

GOALS FOR UPCOMING YEAR:

- Grow social media presence on Facebook, Instagram, and TikTok by increasing likes and follows by 10% by the end of FY 2022/2023 in an effort to enhance the visibility of Metro Fire as a premier all-hazards emergency service provider both locally and nationally (Strategic Goal External Engagement 1a).
- Produce three Behind the Badge, five Firehouse Friday, and five Member Monday videos by the end of FY 2022/2023 in an effort to help promote recruitment and retention of Metro Fire personnel (Strategic Goals External Engagement 2a and Members 4a).
- Produce three long-form videos showcasing Metro Fire's all-hazards capabilities by the end of FY2022/2023 to raise awareness of Metro Fires contributions at the federal, state, and local levels (Strategic Goal External Engagement 1a).

PERFORMANCE MEASURES:

- Review social media metrics to establish audience size and demographics at the start and end of the fiscal year to determine growth trends and patterns.
- Review audience and viewership metrics of media content to determine the level of interest in different types of content in order to grow audience engagement.

FY2022/23	\$ 1,818,341	\$ 240,881	\$ 3,859,525	\$ -	\$ 5,918,747	2.0%

DIVISION BACKGROUND:

The Finance Division's professional team oversees Metro Fire's multi-million dollar financial operation, ensuring resources are properly allocated and monitored for optimum public service levels. Additionally, the Finance Division safeguards District assets, tracks spending, collects revenue and cost reimbursements, leads the annual budget development and implementation processes, and provides and publishes accurate financial reports.

RECENT ACCOMPLISHMENTS:

During the last fiscal year, Finance Division accomplishments included the following:

- Awarded the Government Finance Officers Association's (GFOA) Certificate of Achievement for Excellence in Financial Reporting for the District's Annual Comprehensive Financial Report (ACFR) for the seventh consecutive year and the Outstanding Achievement in Popular Financial Reporting award for the District's Community Annual Report (CAR) for the third straight year.
- Secured a clean independent audit opinion for the tenth straight year.
- Received the California Society of Municipal Finance Officers' (CSMFO) Meritorious Award for the fourth straight year for the Fiscal Year 2021/22 Operating Budget.
- Established the District's first Capital Improvement Program (CIP) policy and issued the first CIP plan, for 2022-23 through 2026-27.

BUDGET DISCUSSION:

The Finance Division issues payroll to about 700 employees, processes vendor invoices, and prepares the annual budgets and various financial statements and reports. Over 50,000 transactions are processed through Metro Fire's accounting books annually. In addition to staffing costs, the Finance budget includes:

- Consulting expense for third-party experts regarding property taxes, actuarial projections, financing arrangements and various other financial topics
- Fees paid to the County of Sacramento for administering Metro Fire's property taxes
- Fees paid to the State for medical transport reimbursement programs

GOALS FOR UPCOMING YEAR:

To effectively and efficiently manage Metro Fire's finances, and in accordance with Metro Fire's strategic plan, the Division has the following goals for completion by June 30, 2023. These goals support the District's strategic plan for capital assets (Initiatives 1, 2, and 3) and prudent financial management (Initiatives 1, 2, and 3) through effective stewardship of public resources and enhanced financial planning.

1. Enhance Oracle budgeting system functionality and operability, including the establishment of an online accounting manual.
2. GFOA "Triple Crown" Recognition for excellence in financial reporting for the District's ACFR, CAR, financial reporting. The application for this award will be submitted in October 2022 and decisions issued in early 2023.
3. CSMFO Capital Improvement Excellence Award for 2022-23 CIP plan.
4. CSMFO Budget Excellence Award for 2022-23 Final Budget.

PERFORMANCE MEASURES:

1. By July 21, 2022, the Finance Division will finalize and publish the online accounting manual.
2. By October 31, 2022, the Finance Division will submit a complete award package for consideration for the GFOA financial reporting award, with the ACFR and CAR award packages following by December 31, 2022.
3. By September 20, 2022, Finance will submit the award package for the CSMFO Capital Improvement Excellence Award for the FY 2022-23 CIP plan.
4. By September 30, 2022, Finance will submit the award package for the CSMFO Budget Excellence Award for the FY 2022-23 Final Budget

HUMAN RESOURCES

STAFFING:

Human Resources Manager	1
Administrative Specialist	1
Human Resources Analyst	1
Human Resources Specialists*	<u>3</u>
	<u>6</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2022/23	\$ 1,172,333	\$ 1,061,904	\$ -	\$ -	\$ 2,234,237	0.8%

*Requesting to have two Human Resources Specialists reclassified to one Human Resources Analyst and one Workers Compensation Coordinator.

HUMAN RESOURCES

DIVISION BACKGROUND:

The Human Resources Division is privileged to serve as a resource to both Metro Fire's employees and the community they serve. The responsibilities of the Human Resources Division include recruitment and selection, background investigations, employee relations, job classifications, compensation, policy and procedure development, employee benefits administration, absence management, workers' compensation administration and risk management insurance and self-insurance. The Human Resources Division reports to the Deputy Chief of Administration and includes the HR Manager, one HR Analyst, three HR Specialists, and one Administrative Specialist.

RECENT ACCOMPLISHMENTS:

- As worker's compensation claims rose steadily due to the Covid-19 pandemic, the Human Resources Division processed as much as a 120% increase in the number of claims submitted per year.
- Within fiscal year 2021/22, the Human Resources Division converted over 7,774 hours of employee absences to supplemental paid leave in compliance with state and federal Covid-19 mitigation laws.
- During this timeframe, the Human Resources Division also designated over 14,714 hours of employee absences as protected leave under the Family Medical Leave Act, California Family Rights Act, and Pregnancy Disability Leave laws.
- The Human Resources Division hired approximately 100 employees during fiscal year 2021/22.

BUDGET DISCUSSION:

The Human Resources Division budget includes the following:

- Recruitment costs such as advertising, testing, interviewing, background investigations and medical evaluations.
- Costs associated with administering the Battalion Chief, Fire Captain and Fire Engineer promotional exams.
- Funds allocated to ongoing diversity recruitment efforts.

GOALS FOR UPCOMING YEAR

- The Human Resources Division projects the recruitment of 30 new Firefighters, 60 new SRP Paramedics and EMTs, and 5 miscellaneous employees within fiscal year 2022/23. (Strategic Plan: Members 4a)
- In the upcoming fiscal year, the Human Resources Division will conduct the following promotional exams: Battalion Chief, Fire Captain and Fire Engineer. (Strategic Plan: Members 4a)

PERFORMANCE MEASURES

- Increased staffing numbers will reflect the onboarding of new employees and the promotions of Battalion Chiefs, Fire Captains, and Fire Engineers to open and available positions.
- The Human Resources Division will evaluate the successful onboarding and retention rate of new employees to forecast the recruitment costs of future fiscal years.

INFORMATION TECHNOLOGY

STAFFING:

Director	1
Network Systems Engineer	1
Computer Systems Supervisor	1
Network Systems Administrator	2
Business Applications Analyst	2
Computer Systems Technician	2
Help Desk Technician	1
Office Technician	<u>1</u>
	<u>10</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2022/23	\$ 1,742,086	\$ 2,969,802	\$ -	\$ 38,231	\$ 4,750,119	1.6%

INFORMATION TECHNOLOGY

DIVISION BACKGROUND:

The Information Technology (IT) Division includes Computer Systems, Network Systems and Business Application Analysts. Under the direction of the Director of Information Technology, the IT Division manages the District's data center, network security, LAN/WAN, VoIP system, ERP systems, building fire/security/access control systems, mobile devices, and computer systems for 41 fire stations and 4 administration buildings.

RECENT ACCOMPLISHMENTS:

During the last fiscal year, the IT Division accomplished the following:

- Replaced core infrastructure switches
- Replaced edge firewalls
- Upgraded phone system
- Added redundancies for edge network

BUDGET DISCUSSION

The IT Division preliminary budget is higher this fiscal year compared to last fiscal year due to rising costs, mainly due to price growth associated with software, hardware and services across the board.

GOALS FOR UPCOMING YEAR:

The IT Division's goals for the upcoming fiscal year conform to the strategic plan goal to improve service delivery. Specifically, by June 30, 2023 the Division intends to:

- Upgrade the District's boardroom audio/visual equipment
- Modernize the District's website

PERFORMANCE MEASURES:

The IT Division measures performance through a service ticket request tool, responding to service requests and analyzing request volume and type to determine resource allocations.

NON-DIVISIONAL

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2022/23	\$ 64,033,650	\$ 11,228,822	\$ 5,519,430	\$ -	\$ 80,781,902	28.8%

The Non-Divisional Item (NDI) budget represents costs that are incurred by the District in general and cannot be directly associated with any division in particular. These costs include pension bond debt service, other post-employment benefits (OPEB), supplemental reimbursements to retirees, and various other payments.

BUDGET DISCUSSION:

The Non-Divisional Items budget includes \$15.5 million representing current payments for retiree medical insurance as well as contributions to the CalPERS Employer's Retirement Benefit Trust (CERBT), which is used to prefund future retiree medical premiums.

Additionally, pension bond debt service and sinking fund payments totaling \$6 million are included in Non-Divisional expenditures. In accordance with the District's plan to retire the pension bonds at the earliest date allowed, a \$25.5 million final payment for the Series C bonds was made in November 2018. A similar final payment is scheduled in FY 2025-26 for the Series B bonds. The funding for these disbursements will come from committed fund balance accumulated since FY 2005/06.

NDI also budgets a \$2.8 million payment to Sacramento County Employees' Retirement System (SCERS). These payments reduce an unfunded liability for District retirees and employees formerly employed by predecessor agencies that participated in SCERS.

Also included in the budget are estimates for paid time off and sick leave buybacks of about \$2.7 million for all divisions, and expenditures for property and liability insurance premiums, postage, and for the District's headquarters expenditures such as utilities, janitorial services and landscape maintenance.

Finally, Inter-Governmental Transfer (IGT) fees amounting to \$5.8 million are included in the expenditure budget. This will allow the District to recover federal funding associated with Medi-Cal managed care beneficiaries amounting to approximately \$14.5 million, for a net income of \$8.7 million

*Requesting one new day staff captain for air operations.

DIVISION BACKGROUND:

The Operations Division oversees all aspects of the District's all-hazard emergency services delivered from 41 stations with daily shift staffing of 185 personnel. The Operations Branch answered over 105,000 calls for service in calendar year 2021. These calls for service are answered by five battalion chiefs, 36 first-out engine companies, seven truck companies, 14 fire-based medics and four single role paramedic units.

Metro Fire has several special operations and all-hazard response programs that are managed under the Operations Division. These include Air Operations, Aircraft Rescue and Firefighting (ARFF), Community Emergency Response Team (CERT), the Dozer Program, Hazardous Materials (HazMat), Technical Rescue, Urban Search and Rescue (US&R), Water Rescue, Tactical Emergency Medical Support (TEMS), Unmanned Aerial Vehicle (UAV) Program, and Wildland.

RECENT ACCOMPLISHMENTS:

During the last fiscal year, the Operations Division accomplished the following:

- Selected five new rescuers for Air Operations
- Hired two part-time pilots for Air Operations
- Received a new jet boat with funding by the State Homeland Security Grant Program
- Obtained an ARFF unit from Sacramento County Department of Airports to replace an older unit
- Completed two River and Flood Operations Classes and one Rescue Boat Technician Class
- Sent three dozer operators to Camp Pendleton annual Heavy Equipment Inter-agency Safety Training

BUDGET DISCUSSION:

The FY 2022/23 Operations budget includes funding to provide essential services to the communities we serve and maintain the required training to meet qualification standards within each program.

GOALS FOR UPCOMING YEAR:

- Complete refurbishment of Copter 3 to front-line operational status (Strategic Plan: Capital Assets 2 & 3).
- Host a regional rescue drill (Strategic Plan: Service Delivery 1).
- Obtain recertification as a Type 1 HazMat Team (Strategic Plan: Capital Assets 3; Service Delivery 1, 3, 4).

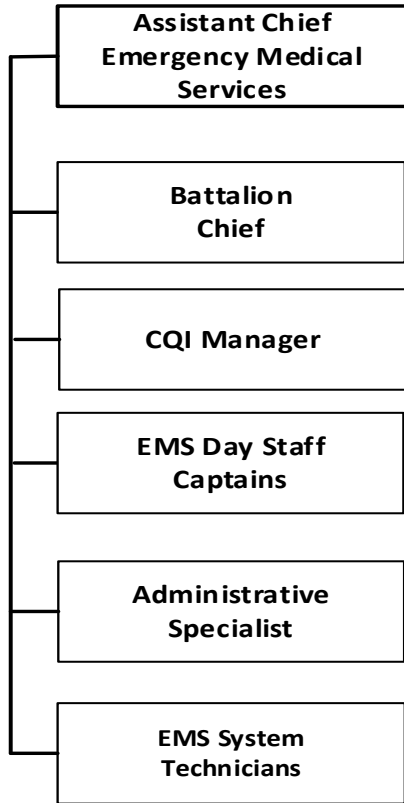

PERFORMANCE MEASURES:

- Operations' Project Timelines. The Division creates project timelines to ensure benchmarks are being met.
- Project leads and reporting. The Division appoints project leads and requires regular status reports at weekly Operations staff meetings to provide accountability and the opportunity to request needed assistance.

EMERGENCY MEDICAL SERVICES

*Requesting new position effective 1/1/23.

EMERGENCY MEDICAL SERVICES

DIVISION BACKGROUND:

The Emergency Medical Services (EMS) Division is committed to providing the highest level of service possible to the communities served. Metro Fire's team of skilled first responders is supported by recurrent professional training and continuous quality care improvement. The administrative side of EMS is comprised of an Assistant Chief, Battalion Chief/CQI Manager, three Captain/Paramedics, one Mobile Integrated Health (MIH) Program Manager, one Administrative Specialist, and two EMS System Technicians. 24/7 support to all District ambulance operations is provided by three field supervisors ("EMS24") who also oversee the members of the Single Role Paramedic (SRP) Program.

The District's EMS Division supports the third largest fire-based Advanced Life Support (ALS) transporting program in the State of California, currently operating 19 ALS ambulances, five reserve ALS ambulances, and 43 ALS engine and truck companies. Metro Fire employs over 499 paramedics, 100 emergency medical technicians (EMTs), and 5 first responders to staff these units, as well as Community Care Response Units (CCRU) watercraft, an ALS rescue capable helicopter, a Tactical Emergency Medical Services (TEMS) team, and bike medic teams for special events. Metro Fire continues to be an innovator in the provision of EMS in the Sacramento region.

RECENT ACCOMPLISHMENTS:

- Submitted annual CQI plan update and core measures to Sacramento County Emergency Medical Services Agency (SCEMSA).
 - First year quality of the report was evaluated and received an excellent rating from SCEMSA.
 - Metro Fire worked on the Technical Advisory Group (TAG) to help develop scoring criteria.
- Launched SacMIH on November 15, 2021.
- Graduated three Firefighter/EMT paramedic students from the American River College Paramedic Program. The District joined a subcommittee advocating for SCEMSA funding which was successful in adding three positions to SCEMSA.
- Received additional grant funding for Narcan, a treatment for opioid overdose.
- Received Assistance to Firefighters Grant (AFG) award for 90 cardiac monitors/defibrillators and approved to purchase 12 LUCAS chest-compression devices. All equipment was deployed in the field in the first quarter of 2022.
- Implemented electronic narcotic tracking module in OpiQ on April 01, 2022.
- Trainings completed:
 - Expanded scope of practice training for COVID testing and vaccination.
 - Advanced Cardio Life Support (ACLS) and CPR refresher for providers.
 - Designated Infection Control Officer training for new EMS officers.
 - Continuing education for professional staff to maintain Privacy Officer and Compliance Officer Certification.
 - Health Information Portability and Accountability Act refresher
 - Assess and Refer protocol
 - Non-invasive End-Tidal CO₂ and capnography review
- Achieved the completion of 100% QA/QI review for cardiac arrest, cardiac pacing, cardioversion, TXA, chest decompression, childbirth, and Ambulance Patient Offload Time greater than 120 minute exceeding industry benchmarks.
- Tested over 1,100 members and hundreds of family and dispatchers for COVID and developed a new database for COVID tracking.

EMERGENCY MEDICAL SERVICES

BUDGET DISCUSSION:

The EMS Division's foremost concern is ensuring fiscal resources sufficient to overcome the challenges associated with navigating the landscape of the modern EMS system: keeping pace with an increasing call volume, exploring new service delivery modalities, adapting to evolving industry standards, optimizing cost recovery for medical services, fulfilling ongoing training needs, developing and sustaining programs, and staying current with materials and technologies. For FY 2022/23 and beyond there is a clear recognition of the ongoing need to assess and refine the District's training, equipment, and practices in a manner best suited to support its EMTs and paramedics in providing the best patient care.

GOALS FOR UPCOMING YEAR:

- Hire a permanent, qualified CQI Manager/Educator to revamp the Continuous Quality Improvement Program (Strategic Plan: Service Delivery 1a, 1b; Member 4a)
- Employ a qualified Medical Director for the District to begin in the next fiscal year (Strategic Plan: Service Delivery 1a, 1b)
- Work with Local 522 to stabilize and expand the SRP Program (Strategic Plan: Members 4a, Service Delivery 1a, 1b)
- Work with Local 522 to add Fire Department Medic (FDM) to our EMS system (Strategic Plan: Service Delivery 1a, Members 4a)
- Secure funding for purchase of new fleet of gurneys by the end of the fiscal year (Strategic Plan: Service Delivery 1a, Capital Assets 3a)
- Complete Certified Ambulance Documentation Specialist (CADS) training for all personnel, and require CADS training for all new line personnel (Strategic Plan: Service Delivery 1a, Members 2a)
- Identify sustainable funding for the SacMIH pilot program (Strategic Plan: Service Delivery 1a & 1b, Financial Management 1a & 1b)
- Enhance cost recovery for EMS services (Strategic Plan: Financial Management 2a)

PERFORMANCE MEASURES:

- Documentation training for paramedic/EMTs. All new paramedics/EMTs are assigned CADS as part of their academy training to ensure highest quality documentation.
- Grant funding levels. The EMS division members actively researches and works with grants personnel to identify new grants or opportunities to allocate funds for new/replacement medical equipment.

SINGLE ROLE PARAMEDIC PROGRAM

STAFFING:

SRPP Captains	3
SRPP Paramedics	16
SRPP EMTs	<u>18</u>
	<u>37</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2022/23	\$ 3,597,286	\$ 47,050	\$ -	\$ -	\$ 3,644,336	1.3%

SINGLE ROLE PARAMEDIC PROGRAM

DIVISION BACKGROUND:

The Single Role Paramedic Program (SRPP) was established in 2013 as a pathway for its members to become Firefighter/Paramedics with Metro Fire. To date, nearly 60 percent of the program graduates made the intended transition to Firefighter/Paramedic, and several members promoted to Engineer and Captain.

The SRPP is managed in the field by three supervisors (“EMS24”) that alternate by platoon to oversee the operation of up to five 24-hour medic units assigned throughout multiple battalions in Metro Fire’s jurisdiction. The deployment model is structured to maximize ambulance coverage as staffing levels allow.

RECENT ACCOMPLISHMENTS:

- Graduated two SRPP Recruit Academies and scheduled the start of a third academy
- Hired seven Paramedics
- Hired 13 Emergency Medical Technicians (EMTs)
- Promoted 11 EMTs to Paramedic
- Established an eligibility list of 25 program members for promotion to Firefighter/Paramedic
- Provided paramedic internships for five program members
- Recruited new SRP Paramedics into the Peer Review Committee

BUDGET DISCUSSION:

The SRPP celebrated its ninth year on March 1, 2022. The continued goal of the program is to enhance the capabilities of the District to deliver high-caliber ambulance transportation to the communities it serves, while providing a career track for EMTs and Paramedics seeking the opportunity to become Firefighter/Paramedics.

GOALS FOR UPCOMING YEAR:

- Graduate three SRP Academies in FY 22/23. (Strategic Plan : Recruitment and Retention 4a)
- Bolster the number of paramedic preceptors/Field Training Officers (FTOs) in the SRPP ranks in FY 22/23. (Strategic Plan : Best Practices 1a)
- Work with Local 522 to revamp the program for long term sustainability. (Strategic Plan : Recruitment and Retention 4a)

PERFORMANCE MEASURES:

- Interested persons list. Recruitment will remain open on the District’s website for EMTs and Paramedics to generate a list of interest for SRP Academies.
- Quarterly identification of new paramedic preceptors/FTOs

STAFFING:

Assistant Chief	.5
Day Staff Captains*	3

*Requesting one additional day captain effective 1/1/23.

DIVISION BACKGROUND:

The Training Division's mission is to improve service delivery to the community by providing realistic, ongoing, and verifiable training to District personnel and assist them to develop and strengthen essential job skills. Training strives to ensure all-risk operational readiness and the ability of Metro members to perform quality public service at any moment. There are many federal, state, and locally-mandated requirements which must be followed, and as new requirements emerge it is imperative that the Division incorporate new tools, technology, and equipment to train Metro personnel. The Training Division makes available opportunities to employees to achieve full potential in their current roles and assist them to advance their careers through a multitude of training opportunities.

RECENT ACCOMPLISHMENTS:

- Conducted performance appraisals of 70 probationary suppression personnel from the rank of Firefighter to Battalion Chief.
- Delivered Captain and Engineer academies.
- Began district-wide fire ground survival training.
- Performed a mix of destructive and non-destructive training at three different acquired structures.
- Conducted large-scale drills, including hosting a Tesla solar roof tile drill.
- Obtained a grant-funded, state of the art sand table.
- Successfully completed fire academy 21-1.
- Developed and implemented a five-week lateral orientation.

BUDGET DISCUSSION:

The Safety Budget includes these changes:

- Recruit academy budget decreased to match the District need to run one 30-person academy.
- Restoration of training classes and drills previously cancelled due to COVID shutdown.

GOALS FOR UPCOMING YEAR:

The Training Division's goals for the upcoming fiscal year conform to the strategic plan goal to improve service delivery. Specifically, by June 30, 2023 the Training Division will:

- Establish rank specific training for Engineer and Captain.
- Reinstigate leadership training (L-280,L-380,L-381), which were suspended due to high COVID case rates.
- Build a Training website and migrate videos to one location for easy use by employees.
- Expand the District pool of State certified instructors to fill the void left with the California Fire and Rescue Training Authority dissolving.

PERFORMANCE MEASURES:

- Rank-specific training. Prior to the next Engineer and Captain exams, the rank specific training will be established and offered to line personnel.
- Online resource tools. By June 2023 the Training website will be available to all employees.

STAFFING:

Assistant Chief	.5
Safety Day Staff Captain*	0
Safety Specialist	<u>2</u>
	<u>2.5</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2022/23	\$ 229,361	\$ 1,128,250	\$ -	\$ 80,000	\$ 1,437,611	0.5%

*Position currently vacant and not funded.

DIVISION BACKGROUND:

The Safety Division oversees Personal Protective Equipment (PPE) and self-contained breathing apparatus (SCBA), and purchases all personnel protective equipment for the District. All items overseen and purchased by the Safety Division are required safety items necessary for personnel to safely do their jobs as well as meet both National Fire Protection Administration (NFPA) and Occupational Health and Safety Administration (OSHA) requirements.

RECENT ACCOMPLISHMENTS:

- Secured over 150 sets of replacement turnouts for current personnel and new hires.
- Finished the swap over to all new UniMac extractors and the installation of a Solo Rescue washing machine for gloves, boots and helmets.
- Established the first consolidated PPE manual which brought together eight different PPE policies under one document, streamlining how the District tracks and implements PPE policies.
- Established a manual for the care and maintenance of all District PPE.
- Implemented the washing of structure gloves in addition to moving to a battalion based washing model from a notification model.
- In the last fiscal year Safety and Logistics divisions washed and inspected over 3,500 sets of turnouts.

BUDGET DISCUSSION:

- Recruit academy funding is reduced to match the District plan to run one 30-person academy.
- Funding included for members of the Safety Division and the PPE team to attend F.I.E.R.O. PPE symposium, the nation's foremost conference on firefighting PPE.
- With the establishment of a PPE cache, Safety Division is requesting significantly less respiratory PPE this year.

GOAL FOR UPCOMING YEAR:

The Safety Division's goal for the upcoming fiscal year conforms to the strategic plan goal to improve service delivery. Specifically, by June 30, 2023 the Division intends to fully implement the NFPA 1851 program and position the District to meet or exceed the anticipated update from California Occupational Health and Safety Administration on statewide standards for care and maintenance of firefighter PPE.

PERFORMANCE MEASURES:

- Safety measures the implementation of NFPA 1851 standards by the tracking of each garments for washing and inspection within a calendar year.
- Each garment should at minimum be washed twice and have an advanced inspection conducted one time.

HEALTH AND FITNESS

DIVISION BACKGROUND:

The objective of Metro Fire's Health and Fitness Division is to provide all members with an opportunity to maintain an appropriate level of health and fitness throughout their career. The division provides the opportunity for comprehensive medical evaluations, annual fitness assessments, and an array of fitness programs designed to enhance overall health and prevent injury. The Division stays on the cutting edge of the fitness industry by equipping facilities with a complement of state of the art fitness equipment as well as rehabilitation and recovery modalities.

RECENT ACCOMPLISHMENTS:

- Provided fitness assessments and fitness plans across the District to members.
- Provided morning physical training for two fire suppression and two SRP academies.
- Improved fitness equipment preventative maintenance program by creating a detailed station inventory.
- Continued to provide health related content to the Fire Department Connection by the addition of informational video content reaching a larger audience with a lot of valuable information.

BUDGET DISCUSSION:

The health component of the Division's budget includes an increased request for funding of annual medicals for suppression personnel due to rising costs. The fitness component of the budget includes funding for fitness equipment purchases, maintenance/repairs, and replacements. By keeping the replacement line intact the division can continue to meet the needs of an aging cardio inventory. The need for investment in higher quality, longer warranted pieces of equipment will be a main focus of this upcoming budget cycle. Additionally, there are four stations still in need of updated squat racks, flooring, storage, cable machines and benches. Lastly, overall improvements during this budget cycle will be directed towards cutting edge, work specific pieces of equipment that are in alignment with the fitness needs of the fire service with goal being to reduce the risk of injury.

GOALS FOR UPCOMING YEAR:

The Health and Fitness Division's goals for the upcoming fiscal year conform to the strategic plan goal to improve service delivery. Specifically, by June 30, 2023 the Division intends to:

- Continue medical wellness exam for NIOSH SCBA compliance and preventive medical screening.
- Increase the fitness equipment preventative maintenance visits to quarterly for higher volume stations.
- Assist HR with their return to work model by streamlining transition from injury to back to work.
- Re-initiate the Peer Fitness Training (PFT) program with the goal of increasing the depth of the program with an increased number of participants.
- Provide more health related educational materials to the District via Professional Development Programs (PDPs), guest speakers and workshops as well as informational videos.

PERFORMANCE MEASURES:

- By January 1, 2023, 15 PFTs will be certified and available to assist Health and Fitness
- 100% compliance with HazMat physicals and age bases wellness physicals by the end of FY22/23
- Provide quarterly informational material (workshops, videos, handouts, etc..) on the issues of Health and Fitness with wellness related topics.

COMMUNITY RISK REDUCTION DIVISION

DIVISION BACKGROUND:

The Community Risk Reduction Division (CRRD) provides new construction, code enforcement, public education, and fire investigation services to the unincorporated portions of Sacramento County, City of Citrus Heights, and City of Rancho Cordova communities. The CRRD New Construction and Code Enforcement team is responsible for inspecting existing buildings and properties for fire code violations, issuing permits, assisting fire suppression personnel, responding to code violation complaints, reviewing and approving licensed care facilities, reviewing plans for all construction projects and fire protection systems, as well as conducting the testing and inspections for those projects. In addition, Fire Inspectors are responsible for special event inspection requests (e.g., carnivals and fairs), fireworks booth inspections and public fireworks displays.

The CRRD Fire Investigation Unit (FIU) investigates unidentified fire causes, the causes of fires resulting in serious bodily injury or death, and suspected arson related incidents that occur within the District. Metro Fire is one of the few agencies in the region with a full-time FIU. Through coordinated efforts with suppression personnel, the GIS Specialist provides detailed District maps and pre-fire drawings for use in emergency response.

RECENT ACCOMPLISHMENTS:

During the last fiscal year, the Community Risk Reduction Division accomplished the following:

- Completed Community Risk Assessment to identify, prioritize, and mitigate natural and human caused risks within the communities.
- Began cost of services study for CRRD fee-related activities.
- Implemented community education for large undeveloped and partially undeveloped parcels to establish defensible space within higher fire risk areas.
- Facilitated successful task book completion for three new Fire Inspector I's.
- Began implementing 4th – 12th grade fire safety education programs.
- Implemented cross-training of Fire Inspectors and Fire Investigators.
- Implemented Fire Inspector completion of vegetation cause and origin fire investigation on the 4th of July.
- Participated in Cal Chief's, Northern California Fire Prevention Officers, and International Code Council code hearings.
- Began streamlining and building consistency in administrative functions of the Division by creating task specific training guides for administrative personnel, including but not limited to a Weed Abatement Program Manual.

BUDGET DISCUSSION:

Increased complaints and code enforcement inspections have led to workload growth. The Community Risk Reduction Division (CRRD) saw an increase of approximately 22% in construction inspections during FY 2020/21. Complaints (primarily alarm and suppression systems out of service) remained significantly elevated with an increase of approximately 116% during FY 2020/21. Through attrition and in

consideration of the increased number of inspections, the Division will recruit to fill authorized Fire Inspector

COMMUNITY RISK REDUCTION DIVISION

positions with Fire Inspector I's. This position entails a one-year training program along with the completion of a task book.

CRRD continues to build and nurture strong working relationships with other agencies and has worked to become more involved in interagency associations. CRRD members currently hold board positions in the Sacramento Regional Fire Prevention Officers and Northern California Fire Prevention Officers groups. CRRD is working toward enhancing professional development through applicable fire service conferences and workshops (e.g. National Fire Protection Association (NFPA) conferences, Community Risk Reduction (CRR) conferences, California Conference of Arson Investigators, etc.).

GOALS FOR UPCOMING YEAR:

- Utilize Community Risk Assessment and resulting Community Risk Reduction Plan to implement targeted, all risk educational and prevention programs. (Strategic Plan: External Engagement 3a)
- Utilize geospatial data and data analysis to determine trends in risk and target hazards. (Strategic Plan: Service Delivery 3b)
- Enhance coordination between CRRD Fire Investigation Unit FIU and Inspectors in enforcing Fire and building codes and subsequent violations through the legal system. (Strategic Plan: Members 2a)
- Enhance communication to business community by establishing collaborative working groups such as Building Industry Association, Sunrise Market Place and Fulton Avenue Association. (Strategic Plan: External Engagement 1a)
- Enhance communication and ensure timely service is provided to the Cities the District serves. (Strategic Plan: External Engagement 1a)
- Ensure plan check turnaround time of 10 working days is maintained. (Strategic Plan: External Engagement 1a)
- Ensure upcoming fire inspections and plan reviews are conducted efficiently. (Strategic Plan: External Engagement 1a)
- Establish and implement administrative citation process. (Strategic Plan: Service Delivery 3c)
- Support Operations personnel, businesses, and community members with response to structure fire incidents. (Strategic Plan: External Engagement 1a)
- Coordination of target hazards with Operations personnel. (Strategic Plan: Members 2a)

PERFORMANCE MEASURES:

- Risk Assessment. Consistent with the Strategic Plan Service Delivery (3b) and External engagement (3a) goals, the Division utilizes a Community Risk Assessment for strategic fire prevention inspection, code enforcement, and education programs.
- Fire and Life Safety Inspections. In accordance with Strategic Plan: External Engagement 1a goal, the Division completes fire and life safety inspections of State- mandated occupancies.

COMMUNITY RISK REDUCTION DIVISION

- GIS Data. In accordance with the strategic plan service delivery goal (3b), the Division uses GIS software and data analysis to illustrate trends in risk and target hazards.
- Cost of services study. In accordance with strategic plan goal for financial management (2a), the Division uses a cost of services study for CRRD fee-related activities. (Strategic Plan: Financial Management 2a)
- Weed abatement. The Division administers the Weed Abatement Program season with decreased burden on other administrative functions of the Division.

COMMUNICATIONS

DIVISION BACKGROUND:

The Metro Fire Communications Division is responsible for the operation, maintenance, and repair of all District communication equipment and vehicle emergency lighting. Equipment includes: 800 MHz radios, VHF radios, Mobile Data Computers (MDCs), vehicle modems, vehicle intercom systems, code 3 lighting, station emergency (red) phones, fire station alerting systems, and traffic signal Opticom systems.

The Communications Division is committed to providing the highest level of service to Metro Fire staff to help reduce unit response times and ensure communications stay intact. Communication Technicians handle all equipment repairs and radio programming out in the field. Metro Fire's Communications Manager represents the District in Radio System Enhancement Committee meetings, Radio System Management Group (SMG) meetings, and sits on the Technical Advisory Committee (TAC) for the Sacramento Regional Radio Communications System (SRRCS). This enables Metro Fire to have a voice on how the regional radio system is managed.

RECENT ACCOMPLISHMENTS:

- Purchased secure idle devices for all ambulances to help prevent unauthorized use of vehicles while on scene.
- Installed Station Alerting and Radio systems in newly-constructed fire station.
- Installed emergency lighting and communication equipment packages in seven SUVs, one rescue boat, and three fire engines.

BUDGET DISCUSSION:

The FY 2022/23 Communications Division budget includes funding to maintain and repair communication equipment installed in apparatus and stations throughout the district. This enables fire crews to receive alerts for incidents and maintain critical communications through radios and mobile data computers. The budget also includes funding to install, maintain, and repair traffic control and Opticom devices. These devices help to clear traffic in front of stations and give emergency vehicles priority while driving through intersections. These measures create safer driving conditions and helps to reduce response times. State and federal grant opportunities will be sought to fund the implementation of a cloud-based emergency vehicle preemption software to improve driving conditions and create efficiencies by reducing hardware costs.

GOALS FOR UPCOMING YEAR:

The Communications Division's goals for the upcoming fiscal year conform to the strategic plan goal and are noted below. Specifically, by June 30, 2023 the Division intends to:

- Secure funding for and deploy a cloud based Emergency Vehicle Preemption system to help reduce travel time to incidents (Strategic Plan: Financial Management 1a, 1b; Service Delivery 3a; Members 3a).
- Train staff and deploy new Computer Aided Dispatch (CAD) Mobility program for Mobile Data Computers (Strategic Plan: Service Delivery 2a).
- Install traffic control systems at Stations 23 and 32 to enable expedient exit and create safer conditions for responding vehicles leaving the stations (Strategic Plan: Members 3a; Service Delivery 3a).

PERFORMANCE MEASURES:

- Track Vehicle Incident Reports and get feedback from crews.
- Track Vector Solutions training and questionnaire to make sure all relevant personnel complete training.
- Pull monthly reports from CAD to monitor response times and track improvements in drive time.

FACILITIES

STAFFING:

Facilities Manager	1
Facilities Technicians	<u>4</u>
	<u>5</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2022/23	\$ 726,324	\$ 1,248,340	\$ -	\$ 689,120	\$ 2,663,784	0.9%

DIVISION BACKGROUND:

The Facilities Division is responsible for the maintenance, repair, and refurbishment of the District's 41 Fire Stations and six administrative buildings, including two leased properties. Facilities also coordinates and schedules outside service vendors and project contractors to help maintain and upgrade all District properties to meet operational needs. The mission of the Facilities Division is to keep all District properties in good working condition and to make sure facilities are safe, secure, fully functional and comfortable for all personnel.

RECENT ACCOMPLISHMENTS:

- Regularly responded to over 90-monthly repair requests
- Completed District generator service (25) with load banks (7)
- Achieved District-wide fire sprinkler system certifications (16)
- Completed District-wide ice machine service (32)
- Completed new ice machine installation (Station 41)
- Provided District-wide weed abatement (8 properties)
- Completed multi-site apparatus bay and exterior lighting LED retrofits (8)
- Finished multi-site flooring upgrades (Stations 27, 63, 65, 106 & 109)
- Installed new rooftop air conditioning units at HQ (2)
- Purchased modular restroom facility for Station 23
- Finished shower upgrades for Stations 21, 41 & 53
- Installed backflow devices on Stations 105 & 112
- Upgraded academy grounds security and drill instructor office/classroom
- Painted exterior of Station 117
- Painted apparatus bay door for Stations 59 & 63
- Installed AC's and swamp coolers for Stations 31, 58, 59 & 108
- Provided support for new Station 68 purchases and installations
- Supported new grant-funded generator installations for Stations 24 & 25

BUDGET DISCUSSION:

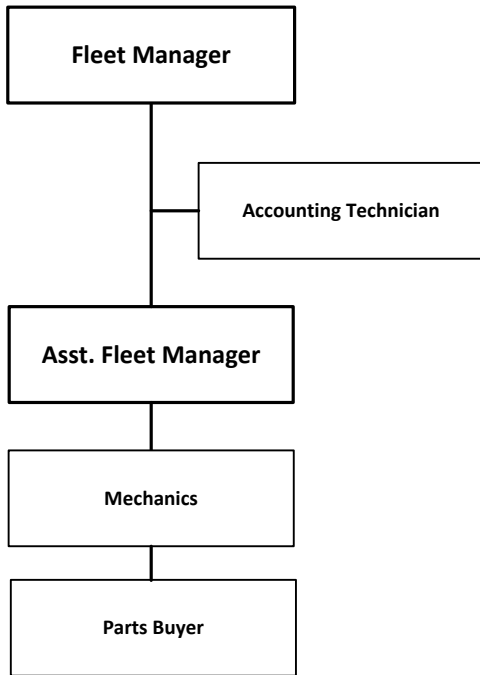

The Preliminary Budget reflects the funding necessary to ensure all routine maintenance, repairs and replacements are kept up to support our building's infrastructure, i.e., the plumbing, electrical, mechanical, and structural systems for all District properties. The Facilities Division has included several projects in the District's Capital Improvement Plan (CIP) that will support the District's operational needs.

GOALS FOR UPCOMING YEAR:

- Provide additional privacy solutions for station dorms (Strategic Plan: Members 3a; Capital Assets 1a).
- Continue to replace station carpeting with new luxury vinyl tile (LVT) flooring and walk off mats (Strategic Plan: Members 1a, 3a; Capital Assets 1a).
- District-wide station security enhancements to include access controlled gates and man-doors (Strategic Plan: Capital Assets 1a).
- Preventative maintenance of District asphalt with application of new seal coat and striping (Strategic Plan: Capital Assets 1a).
- Provide structural covers for the protection of district apparatus, boats and equipment (Strategic Plan: Capital Assets 1-3).

PERFORMANCE MEASURES:

- Facilities refurbishments. Completion of District-wide restroom refurbishments.
- Energy-efficient lighting. Continue to upgrade District lighting to more energy efficient and cost-saving LED lighting.

STAFFING:

Fleet Manager	1
Assistant Fleet Manager	1
Mechanics*	11
Parts Buyer	1
Accounting Technician	<u>1</u>
	<u>15</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2022/23	\$ 2,479,175	\$ 2,946,810	\$ -	\$ 14,698,577	\$ 20,124,562	6.9%

*Requesting to reclassify two positions to Master Mechanic.

DIVISION BACKGROUND:

The Fleet Maintenance Division's mission is to support the District's operational readiness by maintaining 370 vehicles and fire apparatus in a safe, effective, and reliable working order. This is achieved through comprehensive fleet management practices encompassing the acquisition, inspection, maintenance, repair, testing, recordkeeping, and retirement of vehicles. Additionally, Fleet Maintenance staff provides vehicle familiarization and usage training, manages apparatus specification development while ensuring compliance with all applicable state, local and federal laws and regulations, and serves on several of the District's oversight teams.

RECENT ACCOMPLISHMENTS:

- Ordered the following vehicles: Ambulances (6), Type I Engines (3), Type V Engines (4), Aerial, Water Tender, Staff SUV's (2), Staff Pick-up's (2), and a Staff Van.
- Purchased a used Aircraft Rescue and Fire Fighting unit (ARFF).
- Replaced 2018 lease vehicles with new 2022 models.
- Provided specific product training to Fleet Maintenance staff.
- Provided 24-hour mobile response services.
- Provided apparatus training to new SRPP employees, Recruit Firefighters, and current line personnel.

BUDGET DISCUSSION:

The Preliminary Budget reflects the funding necessary to run the day-to-day operations of repairing and maintaining the existing fleet. The budget also includes new vehicle and apparatus purchase requests in accordance with the District's Capital Improvement Plan (CIP) that are necessary to continue supporting the District's operational needs.

GOALS FOR UPCOMING YEAR:

By June 30, 2023, the Fleet Maintenance Division plans to achieve the following:

- Provide training and tools for the Fleet Maintenance Division Staff (Strategic Plan: Members 1a and 2).
- Continue to keep the District's current fleet functioning to support operational needs (Strategic Plan: Capital Assets 2a and 2b).
- Secure funding for new vehicles needed in the Capital Improvement Plan (Strategic Plan: Capital Assets 2a and 2b).

PERFORMANCE MEASURES:

- Constant readiness. The District's existing fleet is maintained in a state of operational readiness.
- CIP Execution. The Division purchases replacement vehicles and apparatus in accordance with the Capital Improvement Plan.

LOGISTICS/PURCHASING

STAFFING:

Logistics/Purchasing Manager	1
Assistant Logistics Manager	1
Logistics Technicians	7
Procurement Specialist	1
Office Technician	<u>1</u>
	<u>11</u>

	Labor Costs	Services & Supplies	Taxes, Licenses, etc.	Capital Outlay	Division Total	% of Total Budget
FY2022/23	\$ 1,283,049	\$ 3,311,924	\$ 65,000	\$ -	\$ 4,659,973	1.6%

LOGISTICS/PURCHASING

DIVISION BACKGROUND:

The Logistics Division is the central hub of warehouse operations for all District supplies and equipment. Logistics inventory supplies all 41 fire stations, Armstrong Headquarters, Fleet Division, Communications Division, and the Logistics/Training Facility. The Division is responsible for purchasing, receiving, and inventorying all fire suppression equipment, EMS supplies, office supplies and custodial supplies. The mission of the Logistics Division is to support the District in all daily operations with excellent customer service and timely purchases for the priority of service delivery.

The Purchasing team in Logistics processes all requisitions for goods and services and issues purchase orders for approved requests. Purchasing assists District staff in developing scopes of work for goods and services including issuing transparent bid documents and information requests. All contracts and agreements are stored and maintained in purchasing as well as vendor insurance information.

RECENT ACCOMPLISHMENTS:

- Upgraded turnout extractors to accommodate NFPA 1851.
- Managed ladder testing program by testing 250 plus ladders.
- Managed PPE cleaning and inspection program.
- Managed District hazardous materials permits and plans.
- Received new box delivery truck to enhance inclement weather deliveries of equipment and supplies.
- Worked on expanding warehouse space for additional inventory storage.
- Attended numerous purchasing-related training webinars in order to ensure best practices and transparency in all District procurements.
- Certified Public Procurement Buyer certification achieved by Procurement Specialist.

BUDGET DISCUSSION:

The Preliminary Budget reflects the all funding necessary to acquire services, supplies, and manage programs for all District divisions and fire stations. It also provides funding for training opportunities for staff.

GOALS FOR UPCOMING YEAR:

The Logistics/Purchasing Division's goals for the upcoming fiscal year conform to the strategic plan goal to improve service delivery. Specifically, by June 30, 2023 the Division intends to:

- Consistently provide excellent customer service for all Logistics requests
- Consistently maximize inventory storage inside the Logistics warehouse
- Secure the Certified Public Procurement Buyer certification for the Logistics/Procurement Manager
- Update the District purchasing policy

PERFORMANCE MEASURES:

- Retrieval and delivery of critical stored items. In FY 2020/21 Logistics staff pulled and delivered over 249,000 individual items from the warehouse and delivered to the fire stations and administration buildings.
- Processing high volume of purchase orders. During FY 2020/21 Purchasing staff processed 1,741 purchase orders.
- Awarding formal bid solicitations. During FY 202/21 Purchasing staff published and awarded nine formal bid solicitations for goods and services.

GLOSSARY OF BUDGET TERMS

Accrual Basis of Accounting – The accounting basis used by the District under which transactions are recognized when they occur, regardless of the timing of cash receipts and disbursements.

Appropriation – Authorization by the Board of Directors to expend money for the purpose outlined in the budget.

Bond – An interest-bearing promise to pay a stipulated sum of money, with the principal amount due on a specific date. Funds raised through the sale of bonds can be used for various public purposes.

Branch – Organizational grouping of divisions. The District's branches include Administration, Office of the Fire Chief, Operations, and Support Services.

Budget – A financial plan for a specific period of time, which includes appropriations and revenues.

Capital Assets – Land, buildings, equipment, and other related improvements with an individual cost of \$5,000 or more and a useful life of at least one year.

Capital Outlay – Expenditures to acquire items or construct improvements meeting the District's Capital Asset criteria.

Debt Service – The combination of interest expense and principal payments due for the repayment of bonds, capital leases, and other debt instruments.

Deployment – The assignment of District personnel and equipment to fight wildfires or respond to other disasters outside of Sacramento County, for which the District receives reimbursement from the State or federal government.

Division – Organizational unit responsible for a specific function.

Encumbrance – The designation of appropriated funds to buy a good or service. Future expenditures may require that funds be set aside or committed. This commitment of funds is considered an encumbrance.

Expenditure – An amount of money disbursed or obligated for the purpose of acquiring a good or service. Expenditures include operating expenses, debt service, and capital outlay.

Fiscal Year – A 12-month timeframe designated as the operating year. For the District, the fiscal year is July 1st to June 30th.

Grant – A contribution by a government or other organization to provide funding for a specific project.

Ground Emergency Medical Transport (GEMT) Program – A program administered by the State of California that provides supplemental federal funding for emergency medical services provided to Medi-Cal beneficiaries that do not participate in a managed care plan.

GLOSSARY OF BUDGET TERMS

Labor Costs – Expenditures for salaries, other wages, and benefits paid to or for employees of the District.

Medic Cost Recovery – Revenues received by the District for emergency medical services provided.

Medic-Cal – California’s Medicaid health care program.

Medicaid – A public health insurance program in the United States that provides health care coverage to low-income families or individuals. Medicaid is administered by states, according to federal requirements, and is funded jointly by states and the federal government.

Policy – Statement of principle or of guiding actions that imply clear commitment.

Property Taxes – Tax revenues received based on the assessed value of real property within the District.

Rate Range Intergovernmental Transfer (IGT) Program – A program administered by the State of California that provides supplemental federal funding for emergency medical services provided to Medi-Cal beneficiaries that participating in a managed care plan.

Reserve – Amount in a fund used to meet cash requirements, emergency expenditures or other future defined requirements.

Resolution – A special or temporary order of a legislative body requiring less formality than a statute or ordinance.

Revenues – Income received to finance the operations of the District.

Services and Supplies – Operating expenditures for the purchase of non-capital goods and services not provided by District employees.

Special District – Independent unit of local government organized to perform a specific function.
